VOLUNTARY ANNOUNCEMENT
GROUP SUBSIDIARY'S NEW ORDER OF 16000 TONS
SUPER LARGE DIE-CASTING MACHINE

This announcement is made by L.K. Technology Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis to provide its shareholders and potential investors with the latest business update of the Group.

The Group is committed to technology innovation and intelligent manufacturing of die-casting machine, plastic injection moulding machine and CNC machining centre. Single-piece casting technology, a significant innovation jointly developed by the Group and its business partners from automobile manufacturing industrial chain, is widely used in fields such as alternative fuel vehicle, building formwork and energy storage shell. In the last two years, the Group continuously increased research and development in technology and upgraded supporting services and actively explored domestic and overseas markets in order to create value for the Company and its shareholders in a long-term and sustainable manner.

The board of directors of the Company (the “**Board**”) is pleased to announce that, on 30 June 2023, Shenzhen Leadwell Technology Co. Ltd.* (深圳領威科技有限公司), a subsidiary of the Group, has entered into a strategic cooperation agreement with Guangdong Hongtu Automobile Parts Co., Ltd.* (廣東鴻圖汽車零部件有限公司), a subsidiary of an important strategic partner, Guangdong Hongtu Technology (Holdings) Co., Ltd.* (“**Guangdong Hongtu**”) (廣東鴻圖科技股份有限公司), in relation to a 16,000 tons super large smart die-casting machine. It will mark a re-breakthrough of technology and an increase in casting size following the completion of 12,000 tons super large smart die-casting machine jointly cooperated by the Group and Guangdong Hongtu in 2022 (which was the maximum tonnage for smart die-casting machine worldwide at the time). Looking ahead, the Group

will strengthen cooperation with numerous business partners from industrial chains to make efforts in building a ecosystem of single-piece casting technology, thereby supporting the growth of alternative fuel vehicle and other industries and creating greater values for customers.

On behalf of the Board
L.K. Technology Holdings Limited
Chung Wing Man
Company Secretary

Hong Kong, 3 July 2023
